Baytree Beauty sleep

Kerrie started Baytree Beauty Salon at just 18 years old, in 2002.

With so much experience in anti-ageing prevention, Kerrie knows that we need to help our skin when we sleep, just as much as protecting it from every day pollutions.

Kerrie has sourced the finest mulberry silk & produced her own, high quality, machine washable, silk pillow cases.

For more details, ask in salon on your next visit.
